

# PREMIUM UNIVERSAL GREASE

## ThixOgrease2

PRODUCT ID: 3400-425-1	UPC: 813010000317	PACK: 1	SIZE: 425 g
PRODUCT ID: 3400-425-10	UPC: 813010000904	PACK: 10	SIZE: 425 g
PRODUCT ID: 3400-425-30	UPC: 813010000911	PACK: 30	SIZE: 425 g
PRODUCT ID: 3400-17-1	UPC: 813010000324	PACK: 1	SIZE: 17 kg
PRODUCT ID: 3400-55-1	UPC: 813010000331	PACK: 1	SIZE: 55 kg
PRODUCT ID: 3400-180-1	UPC: 813010000348	PACK: 1	SIZE: 180 kg

Manufactured to ISO 9001:2015 specifications.

## FEATURES & BENEFITS

### Extreme Pressure

Excellent Friction and wear metal reductions in the boundary lubrication regime - 10x that of competitors in testing

### Long Life

No chance of oil separation means longer life. ASTM test D3336 showed 220Hrs better than Lithium, 380Hrs better than Polyurea, 710Hrs more than Aluminum

### Extreme Temperature protection

Broad operating range -30 to 250c. Good pumpability in cold weather - passes -40c ASTM Torque Test

### Water Wash Out

Will not wash out under wet and or contaminated conditions

### Compatibility

Compatible with most universal greases including Lithium, Calcium, Aluminium and Barium

PERFORMANCE BEYOND  
BELIEF
