

InfinityHDL

LONG LASTING HEAVY DUTY LUBRICANT

FEATURES & BENEFITS

Tenacious Film

Stays where you spray - Attracted to metal & heat

Long Lasting

Will not evaporate - is not solvent based

Extreme Pressure Protection

Anti-wear technology

Protects against Rust & Corrosion

Superior performance in the ASTM 96hr Saltwater Spray Test

Environmental Aerosol

Compressed air propellant - Reduces carbon emissions

- Steady strong stream for accurate application
- Use less - Most applications require smaller dosage
- Concentrated formula - higher viscosity than most sprays

THE HEAVY DUTY
LUBRICATOR

**STAYS
WHERE YOU
SPRAY**

Manufactured to ISO 9001:2015 specifications.
